

REMARKS

This preliminary amendment is submitted in order to amend the claims in accordance with the requirements of US Patent Practice.

Applicants have canceled original claims 1 through 14 and replaced those claims with new claims 15 through 26. Antecedent basis for the new claims may be found in the specification on pages 2 through 11. Thus claims 15 through 26 are now in the application and are presented for examination.

Respectfully submitted,  
K.F. Ross P.C.
